**Exam Dates:**

<b>Exam #1:</b>	September 25
<b>Exam #2:</b>	October 23
<b>Exam #3:</b>	November 17

**Help:** Your instructor will go over selected homework problems during class. In addition, your instructor will regularly arrive several minutes before class and will stay after class to answer questions from students. He is also available during his office hours, or by appointment, or any time via email. Students are encouraged to take advantage of the help offered in the Calculus Clinic and the Math Clinic, located on the first floor of Carnegie. The hours are posted outside 215 Carnegie and <http://math.syr.edu/Help.htm>.

**Homework:** Homework for the entire semester is listed on the Homework Sheet on the course website. Due dates for the on-line portion are posted on-line. Some of the written problems will be collected in recitation on Friday; this homework will be announced in class the Thursday a week before and will be graded. Some variations from the list of homework exercises may be announced in class or online. It is *essential* to do all the homework assignments in a timely fashion.

**Quizzes:** A short quiz will be given each week during recitation. Quizzes may be given during lecture as well. Two lowest quiz grades will be dropped. There will be **NO** make-up quizzes.
