

MAT 296 — Calculus II

Fall 2016

Instructor: Muhammed ALAN
Office: Carnegie 313J
E-mail: malan@syr.edu
Office Hours: Tuesday, Thursday 2:35PM-3:20PM

Midterm Exams: Three midterm exams will be given during the semester. Your instructor will announce the exact material covered. **No makeup exams will be given. For students with an EXCUSED absence, the final exam score will be substituted for the missing exam score.**

Exam 1: 23 September 2016

Exam 2: 21 October 2016

Exam 3: 11 November 2016

Final Exam: The final exam covers the entire course. It will be given during a two-hour block on **Wednesday, December 14, 2016 - 8:00AM - 2:30 PM**

The exact time and location will be announced later in the semester. **Do not make arrangements to leave campus before 2:30 PM on Wednesday, December 14, 2016. The final exam will not be given at any other time.**

Quizzes: There will be weekly quizzes given in recitation except in the weeks you have an exam. These quizzes will have 2 problems similar to the homework problems. **No makeup quizzes will be given. Two lowest scores will be dropped.**

Homework: To learn the material in a mathematics class, it is essential to do all the homework assignments. All problems will be done using WebAssign. Each Friday night a set of WebAssign problems will be assigned. They will be discussed during the following week's recitations and will be due at 11:59pm on the Sunday of that week. Namely, you will have at least 9 days to finish your hw. Lowest 2 homework scores will be dropped. The instructions for how to initiate your WebAssign access are at the end of this document

Extension Policy: A three-day automatic extension of WebAssign homework is possible through WebAssign. You have to request an extension after the original due time. Extension window closes after 14 days. However, the 3-day extension does not exceed the 14-day extension period. For ex-ample, if you request an extension during the 13th day after the due date, then you will not have a 3-day extension but you will have time until the end of 14th day to complete your homework. There is no other way of requesting extensions. If you request an extension, you will lose 50% of the point value of the questions answered correctly after the original due date. Questions answered before the due date are not effected and they are counted 100%.

Extra Credit Policy:

You will receive 50% extra credit for the questions submitted 168 hours (1 week) before the due date.

WEBASSIGN WARNINGS

- You will have 6 submissions allowed. Submit question by question. Never submit the assignment in once. After you submitted the assignment, even I do not have the permission to give you more trials.
- If you see a green check sign next to the question you have submitted, then your answer to that question is correct, and you do not need to do anything further about that question. Again, never touch the "Submit Assignment" button, on the bottom of the page.
- You can see your points per question and your total points at the top of the page under the "Extension Requests" & "Print Assignment" links. If you see your score, and it is correct, then you do not need to anything. Contact me only if there is an error in your score.
- NEVER change your username. It results in duplication of account, rather than overwriting your existing account.
- Note that all due times are 11:59p.m. EDT (EDT - Eastern Daylight Time. This is the time zone of NY State.) If you are in another state, or country, then check your time zone and submit your homework according to NY time.
- In general if you have any trouble with login, try the following trouble shooting steps.
 - ✓ restart your web browser,
 - ✓ restart your computer/laptop,
 - ✓ Use Firefox instead of other web browsers. Especially, Apple users are strongly recommended to use Firefox instead of Safari.

WEBASSIGN REGISTRATION INSTRUCTIONS FOR MAT296 FALL 2016

- Go to www.webassign.net
- Click on ENTER CLASS KEY.
- Enter the class key by entering syr in the first box, 4851 in the second box, and 8126 in the third box; then click SUBMIT.
- If you see “**Instructor: Muhammed Alan**”
Click on “YES, THIS IS MY CLASS”
- Select I need to create a WebAssign account (if you do not have an account associated to your SU email from an earlier class or another semester. If you have an account associated to your SU account, then choose I already have a WebAssign account.)
- Enter a user name and password of your choice. **NEVER CHANGE YOUR USERNAME!** (If you change your username, then the system duplicates your account and you may loose some of your hw).
 - Enter your name and Last Name.
 - Enter your SU email account
 - [Use your SU email account. No gmail, yahoo, Hotmail, or any other account. I receive your scores according to your email address.] If you use any email not ending as @syr.edu, you may loose your homework scores.
 - Enter your SU Student ID.
- Then click on "Create my Account".
- The next page confirms your information, so click on LOG IN NOW.

- You should be logged in now. Select one of the options
 - i. purchase an access code online (if you do not have an access code)
 - ii. enter an access code (purchased with textbook or from a bookstore)
 - iii. continue my trial period

Purchasing Your Textbook and WebAssign Access Code:

All students are required to have a WebAssign access code for online homework assignments. This code includes access to the online electronic version of the textbook. Some students will also want a physical copy of the textbook. **You may choose between the following options.** If you are unsure about which option to choose, please consult with your instructor.

(1) Purchase a WebAssign access code either at the SU bookstore or online at www.webassign.net. This access code includes access to the online electronic version of the textbook. If you purchase this code at the SU bookstore, it is valid for future semesters in the Calculus sequence. If you purchase it online and plan to take MAT 397, you should purchase the multi-term (lifetime of edition) version.

(2) Purchase a new textbook bundled with a WebAssign access code at the SU bookstore. This access code includes access to the online electronic version of the textbook, and is valid for future semesters in the Calculus sequence.

(3) Purchase a new textbook bundled with a WebAssign access code from the publisher's website at <http://www.cengagebrain.com/micro/1-1HYUMAO>. You can also purchase just your WebAssign access code at the publisher's website.

Other Resources: Your textbook comes with access to an online resource at http://www.stewartcalculus.com/media/13_home.php. This website has some interactive visuals to accompany the topics in your textbook. It also has "homework hints" for the problems in your textbook that are marked in blue. Other interactive visuals can be found by clicking the TEC icon in the pages of your ebook.
