

Syllabus for MAT 193 Algebra Infused Pre-calculus for Summer Start-2018

Instructor: Keshab Raj Adhikari Class Meeting: Monday-Friday (8:00am – 10:35am)
Carnegie 400, Complex B, Desk #3 Office Hours: Tuesday, Thursday (10:50am-11:50am)
Email: kradhika@syr.edu

Course Description: This course is designed to prepare you for success in the study of calculus. Using graphical, numerical, and symbolic representations, you will investigate the basic properties of many elementary functions, including linear, quadratic, polynomial, exponential, logarithmic, trigonometric, and rational. These functions and their applications will be the core focus of the course. You will engage in applied problem solving in collaborative group settings using graphing technologies. A second but equally important aim of this course is for you to refresh and retain the algebra skills necessary to succeed in your next math course. There will be weekly assignments and quizzes that will address these skills.

Course Supervisor: Please inform **your instructor** of any problems that you have with this course. Problems not satisfactorily resolved with your instructor should be brought to the attention of the course supervisor without delay.

Course supervisor: Dr. Leonid Kovalev, lvkovale@syr.edu.

Course Materials:

(1) **Textbook:** Connally, E., Hughes-Hallett, D., Gleason, A. M., et al. (2015). Functions modeling change: A preparation for calculus (5th ed.). Hoboken, NJ: John Wiley & Sons, Inc. Also available as a custom edition at the SU bookstore.

(2) **TI-84 or TI-83+ graphing calculator:** This may be purchased at a variety of local stores, including the Syracuse University Bookstore; you may also be able to borrow a calculator from the library for short periods of time. The calculator may be used on all homework, tests and the final exam. You should bring your calculator with you to class and to recitation. The use of a symbolic calculator (such as the TI-89 or the TI-Nspire with CAS) will not be allowed on quizzes or exams.

(3) **WileyPlus access code:** This will be included with a new copy of the textbook purchased at the SU Bookstore. Other options may be available for purchase separately.

Prerequisites for the Course: Students should be competent in the use of high school level algebra. Students should have successfully completed a unit on trigonometry at the high school or college level.

Course credit: A student cannot receive credit for MAT 193 after receiving a grade of C or better in any calculus course. Students MUST earn a grade of C- or better in MAT 193 in order to meet the prerequisites for taking MAT 295 Calculus I.

Homework: Homework assignments for the entire semester are listed on the schedule at the end of this syllabus. The homework will be collected every Monday and Wednesday. Extra practice can be done using the website WileyPlus. We will discuss how to access WileyPlus in class.

Class Preparation: You are expected to read the appropriate sections of the text prior to the class in which that material is discussed. After the class presentation, you should re-read the material and work through all of the assigned problems.

The only way to learn mathematics is to do mathematics.

- You should work out and carefully write up all of the assigned exercises. A small portion of each lecture and most of Friday's class will be devoted to discussing these problems and others. Clearly, only a few problems can be worked out in detail. Usually the instructor will simply describe the basic steps in the solution of the problem. You must fully complete each problem, plus any additional problems that you need to further your own understanding of the material.
- You will be assigned to a homework group in your Friday class. You should work with the members of your homework group to assure that you can do and understand all of the assigned problems. Most students find it beneficial to study for the tests with the members of their homework group.
- Ask questions. If something is not completely clear, ask about it in lectures, consultation sessions, or at the mathematics clinic as soon as possible. Don't hesitate to bring questions to your course instructor or consultants during their office hours.
- Stay caught up. Math concepts build on each other cumulatively and you need to stay on top of the material at every stage. If you are having difficulty, don't expect that the problem will take care of itself and disappear later. Contact your course instructor or your mathematics consultants immediately and discuss the problem.

Class Attendance and Participation: You are expected to attend and participate in class regularly. This course is taught using lecture, small groups and class discussion; your success will be limited without full attendance and participation.

Out-of-class Assistance: Your instructor will be available regularly during his or her office hours. You can also seek assistance at the mathematics consultation or the Math Clinic. The Clinic hours are posted outside the department office (215 Carnegie) and on the department webpage (<http://math.syr.edu>). In addition, most chapters in your textbook have a "Skills Refresher" section that provides help with basic algebra skills.

Examinations: There will be three in class examinations which will be given every two weeks. The last exam i.e. Exam-III will be counted as the final exam. So, exam-III will be cumulative and will cover the entire course. There will be NO MAKE-UP EXAMS OR QUIZZES. A missed quiz or examination counts as a zero unless the student presents a valid excuse from a physician

or his or her dean's office. With the written excuse, your score on the relevant portion of the final exam will be used to replace the missed quiz or exam grade.

Exam dates: 7/13, 7/27, 8/10

Quizzes: There will be occasional quizzes given during class throughout the semester. These will include chapter quizzes and algebra quizzes. Dates will be announced in class throughout the semester.

Grading: Your final grade in this course will be based on your performance on exams, the final exam (which is cumulative), quizzes, homework, attendance and participation. The relative weight assigned to each is designated below:

Exams (3)	60% (20% each)
Chapter Quizzes	15%
Algebra Quizzes	10%
Homework	10%
Attendance	5%

Your course grade will be assigned based on the following percentages:

93 - 100	A
90 - 92	A-
87 - 89	B+
83 - 86	B
80 - 82	B-
77 - 79	C+
73 - 76	C
70 - 72	C-
60 - 69	D
0 - 59	F

Academic Integrity: The Syracuse University Academic Integrity Policy holds students accountable for the integrity of the work they submit. Students should be familiar with the Policy and know that it is their responsibility to learn about instructor and general academic expectations with regard to proper citation of sources in written work. The policy also governs the integrity of work submitted in exams and assignments as well as the veracity of signatures on attendance sheets and other verifications of participation in class activities. Serious sanctions can result from academic dishonesty of any sort. For more information and the complete policy, see <http://academicintegrity.syr.edu>.

Students with Disabilities: If you believe that you need accommodations for a disability, please contact the Office of Disability Services (ODS), <http://disabilityservices.syr.edu>, located in Room 303 of 804 University Avenue, or call 315-443-4498 for an appointment to discuss your needs and the process for requesting accommodations. ODS is responsible coordinating disability-related accommodations and will issue students with documented disabilities Accommodation Authorization Letters, as appropriate. Since accommodations may require early

planning and generally are not provided retroactively, please contact ODS as soon as possible. You are also welcome to contact me privately to discuss your academic needs although I cannot arrange for disability related accommodations.

Religious observances policy: SU religious observances policy recognizes the diversity of faiths represented among the campus community and protects the rights of students, faculty, and staff to observe religious holidays according to their tradition. Under the policy, students are provided an opportunity to make up any examination, study, or work requirements that may be missed due to a religious observance provided they notify their instructors before the end of the second week of classes. For fall and spring semesters, an online notification process is available through MySlice (Student Services -> Enrollment -> My Religious Observances) within the first week of class.

Homework Assignments and Tentative Schedule

Date	Sections from the text	Exercises
7/2	1.1	1.1(7, 9, 10, 15, 20-25, 36, 39,42,43)
7/3	1.2/1.3	1.2 (S9, S10,8, 9,15, 16, 19,20,29,31); 1.3 (4, 6, 9, 10,13, 15,18,20,29)
7/5	1.4/1.5	1.4(S3, S5, S9,1,3,5,8,11,16,20,31,33,43,46,); 1.5 (S3, S5, S7,2,3,8,10)
7/6	2.1/Quizzes	2.1(S3, S4, S9, S10,1-4,23-28,32,35)
7/9	2.2/2.3	2.2(S1-S4,1,2,5,6,8,9,10,13,15,31,36,37) 2.3(2-5,8-11,13,21,22,26)
7/10	2.6/3.1	2.6(1,2,9,13,15,18,20,25)
7/11	3.1/3.2	3.1(S4, S5, S9, S10,1,3,6,9,10,12,13,15,26,27,35,37,41) 3.2(1-4,6,7,9,10,11,27,28,29,31,33,34,4)
7/12	Review for Exam 1	
7/13	Exam 1 in class	
7/16	4.1	4.1(S1-S4,1,2,3,8,18,20,21,24,29,32-34,40,51,52,56)
7/17	4.2/4.3	4.2(S3, S4,1,2,4,6,8,10,15,20,28-30,35,37,48,49)

7/18	4.3/4.5	4.3(1,3,5,11-14,18,25-30,36,40,42,43); 4.5(3-5,8-11,20-22)
7/19	5.1	5.1(1,3,5,7,8,11-16,22-27,35,36,51,53,54,57,63,67,68)
7/20	practice/ quizzes	
7/23	5.2/5.3	5.2(2,5,9,11,15,16,23,27,39,42,43,45,55) 5.3(S7, S9,1,3,5,7,9,10,32,54)
7/24	2.4/6.1	2.4(1,3-6,7,8,10,18) 6.1(S8, S10,1,9,10,14,16,18-21,26,27,32-34)
7/25	6.2/6.3	6.2(S4,1,2,8,11,12,15,22,28,29,39) 6.3(S4, S11, S16,1,8,11-17,19,25,32-37,49,50)
7/26	Review for Exam 2	
7/27	Exam 2 in class	
7/30	7.1/7.2	7.1(1,10,12,23,25,27,29); 7.2 (1,10,11,12,14,19,23,25,34)
7/31	7.3/7.4	7.3(1,2,3,5,6,7,10,12,21,22,25,27,29,31,32,35-38,55) 7.4(1,2,5,7,17,19,21,27,28,38)
8/1	7.5/8.1	7.5(1,2,5,7,13,15,18); 8.1(3,4,6,7,9,11,13,14,19,27,28)
8/2	2.5/10.1	2.5(S2, S4, S11,5-12,34-37,39) 10.1(1-4,8,11,12,17,19,22,23,28-30,33,35)
8/3	11.2/quizzes	11.2(1,3,4,8,10,18,19,21,22,23,25,44)
8/6	11.3	11.3(S1-S5,1,2,5,9,11,15,18-21,27,30,33,35,44)
8/7	11.4	11.4(S2, S3, S9,1,4,8,13-15,17-21,27,35)
8/8	11.5	11.5(1,3,5,6,8,9,14,15,20,21,32)
8/9	Review for Exam 3	
8/10	Exam 3 in class
